Paula G. Curry is a partner in the firm's Real Estate Department.

Her practice focuses on complex real estate property transactional matters throughout the United States, such as multi-site sales and acquisitions, assemblages, and representing borrowers in securitized financings and other real estate financing transactions. Paula became a LEED Accredited Professional in September 2008.

Paula's clients include developers, retailers, property managers and corporations, including Fortune 500 companies. Before beginning her legal career, Paula was a design engineer in the field of wastewater treatment and ultrapure water treatment.

For ten years, Paula was senior counsel to Kaitz + Associates, LLP and its predecessors. Before that, she was associated with Bingham McCutchen LLP, where she specialized in environmental law, representing lenders in connection with financings related to environmental and energy services projects.
